**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep the Internet competitive. A small company like Sonic provided me with fiber. The speed I'm getting is many times faster than on my previous ISP. That along with bundled VOIP phone meant I was able to drop my AT&T landline, saving me almost \$50 a month. All told, I am paying less now and getting much faster Internet. Going with AT&T or Xfinity for Internet probably would have meant a tiered pricing plan and perhaps a data cap. Please let the smaller companies compete.
